The collage features several documents and images related to the railway industry:

- Documents:**
 - Top Left:** A document titled "1. The passenger transport market" with a sub-section "1.1. Changes in the European passenger transport market". It includes a pie chart showing the share of different transport modes.
 - Top Center:** A document titled "An assessment of Rail Market Operations and Rail Traffic Safety in 2014" with the logo of "PRZYJAZNY URZĄD" (Friendly Office) and "Pierwszy Bezpieczny Ruch Kolejowy" (First Safe Train Movement).
 - Top Right:** A document titled "2.1.2. The evolution of freight rail transport in Europe" with a bar chart showing freight rail transport volume in Europe from 2000 to 2013.
 - Bottom Left:** A document titled "1.3. Improving the safety system of the railway" with a photograph of a red emergency stop button labeled "Hazard".
 - Bottom Center:** A document titled "1.3.1. Supervisory activities by the President of UKE" with a pie chart showing the distribution of supervisory activities.
 - Bottom Right:** A document titled "1.3.2. Supervisory activities by the President of UKE" with a bar chart showing the number of supervisory activities by type.
- Photographs:**
 - Top Right:** A photograph of a blue and white freight train (locomotive and cargo cars) on a track.
 - Bottom Center:** A photograph of a blue and white passenger train (locomotive and passenger cars) on a track.
 - Bottom Right:** A photograph of a blue and white passenger train (locomotive and passenger cars) on a track.
- Other Elements:**
 - Top Left:** A small portrait of a man in a suit, likely a railway official.
 - Bottom Left:** A small portrait of a man in a suit, likely a railway official.
