Kamil Wilde

Vice President

Kamil Wilde is a graduate of the Warsaw University, Faculty of Law. Since 2007 worked for Department of Railways at the Ministry of Transport.

In 2012 he became Deputy Director of the Department. He has dealt with national and European legislation in the rail sector, drafting legislative acts and government documents. He was also involved in railway technology and rail safety issues. Developed a multi-annual program for the maintenance of railway infrastructure. He supervised the ownership of PKP Group companies and supervised the Railway Institute.

Former Member of the Certification Board of the Railway Institute, Tripartite Commission for Railways and Railway Safety Subassembly and Polish Logistic Society.

On September 4, 2017 Kamil Wilde was appointed by Polish Prime Minister for the position of Vice President of the Office of Rail Transport (UTK).
